The grand opening will kick off on May 5th, 2018 at 10 a.m. with a traditional Chinese lion dance show and ribbon-cutting ceremony. The company will host programming throughout the days on May 5th and 6th, providing customers with free snacks, soft drinks, and food tastings. Some featured products will be on sale from May 5 to June 4, 2018. The Orlando iFresh Market is the very first supermarket that is named under iFresh, twenty-first store that is owned or managed by iFresh.

"We are thrilled to introduce our newest supermarket at Orlando to the customers," said Mr. Long Deng, Chairman and CEO of iFresh, "We believe our customers will be pleased with the wide variety of services and fresh product offerings available in our high-end upgraded supermarket."

The new Orlando iFresh Market provides an upgraded robust grocery offering, including a wide selection of fresh fruits, a full-service meat counter, and live seafood. The store also features the prepared Chinese cuisines, which require specific cooking utensils and are thus not easily made at home by customers, such as Char Siu, roasted duck, and an assortment of dim sums. The Orlando iFresh Market offers convenience-oriented services such as parking spaces, liquor cabinet and daily-supply products to customers.
